“ With a heavy heart I write to honor my dear friend James W. Dixon of many many years; as I reflect on our friendship and the many times we’ve spend together I can’t help but smile with joy in my heart. James lived a full life and was a delight to be around to say the least. The moments I hold near and dear to my heart most will be the many times we traveled to Manhattan to the Jazz concerts along with my late wife Maudlyn—James will be truly missed and remembered for the great guy that he truly was.

Rest in Paradise James until we meet again. Love always and for ever in our hearts

“ To the Family of Jimmy Dixon:

I was saddened to hear of the passing of Jimmy. He was always that one person who knew everything to help you get the job done. I always remember hearing "ask Jimmy!" Growing up if no one knew the answer to a particular problem. Jimmy Dixon could solve it. His departure from this world to Heaven must tell you that "God had a problem and needed Jimmy's expert advice." Jimmy you will be missed not only by your family, Brothers and friends. But by people who had the pleasure of just talking with you and asking you how to fix their particular issue. The West Side of Stamford really lost a true man who made his presence known in his Community of Stamford. " To a Life Truly Well Lived!"

“ A 40+ year association and friendship, never to be forgotten. Always a smile and that helping hand, and advice where needed..As I recall, we spent a huge(LoL) part of those years 'cappin' on each other and some folk had to be thinking that we were mortal enemies, but hey, that was us. In keeping with those times, I'm gonna miss you, "Round Pound" and may your road to Heaven be as smooth as the life you lived----Johnny B
