“ *Bill, we will always have happy memories of our many times together. When you and Ann bought your house the laughs we had helping you move in. On your 25th wedding anniversary we took you and Ann to the showboat for dinner, it snowed that night we slipped and slided all the way home (lol) That's just a couple of our beautiful memories with you and Ann.*

You and the family are in our prayers. Please remember we are just a phone call away.

“ *Condolences and prayers we share in the passing of our dearest friend Ann. Catherine and Ann grew up together and was the best of friends and remained closely knitted together via phone and special occasions. William, Ann and I was classmates of the class of 1961 at Jackson High and we had some good times then and they continued throughout the years. One special event that's unforgettable is when Bill and Ann invited Catherine and I to dinner at this beautiful restaurant in New York and it was such a beautiful evening of laughter and fun. May God strength and comfort my dear friend, his Sons and Grands whom Ann loved so dearly and talked about them all the time*
