“ *TO THE FAMILY: Please know that God has called "Bob", as we affectionately called him, from Labor to Reward. Our Family will always remember Bob as the "Original Transporter of Families from Connecticut to North Carolina. He will be remembered for many positive things we are sure. However, for our family, he made our father (Annias) very happy by always providing a seat in his vehicle to travel back and forth on Interstate-95. We thank you all for sharing him with so many. We know you will miss him, so we say to you "Trust God, Keep the Faith, Keep Praying, Continue to Love One Another and know God Will Heal Your Hearts in Time". For some it may take longer, BUT TRUST GOD. Nothing takes God by Surprise and He knows just what to do for each of you.
