“ Although "Trish" and I probably racked your nerves, you continued to give us wise and counseled advice. I am so lucky you adopted me. I don't believe you fully understand how your quiet and gentle way of providing guidance was accepted by me. Caroline, you kept me on course and I know you will continue to cheer me on. Before she left this realm, Mrs. Ermene said, "we were a great bunch of kids." You and "Trish" are sorely missed.

I am grateful to have got to know Johnny, Caroline & Trish as family and have always had respect for the whole family that gather many times throughout the years. Many thoughts of family gatherings in Connecticut that welcomed me into the family with their smiles for me and my girls, Mikailah & Chloe Nicole. Continued prayers for all those that knew and loved them dearly.

“ *My deepest condolences to the Greene and Bookhart family my love and prayers are with you even though I could not. I was very close to Delores growing up in Norwalk which made me like the extra daughter as much as I stayed at her home. Caroline was the middle daughter, but even as a younger sibling the Greene sisters were very close, and I was very happy to be a part of that love. Caroline and Pat presence will truly be missed but will forever be in our heart.*
