“ To the Welfare family,
My memories of Pae (that's what we called her) go all the way back to the Chapel Street days walking to the Brien McMahon Annex and the good times we had in high school. She was always fun with her quick wit and straightforward attitude; through the years she stayed the same whenever we ran into each other around town it became a long-drawn out conversation lasting a least 20 to 30 minutes. My heart is sad knowing that we will no longer have those chance meetings, but I'm blessed to have known her and call her friend. Rest in peace Pae! -Lucille Weldon

“ Ms. Welfare was one of the nicest residents that I knew. Always had a smile and wonderful advice. Never one to beat around the bush; but was straight forward and directly to the point. I will truly miss her. May she rest in God's perfect peace. Praying for children and everyone who knew this awesome woman! ❤️
