“ *My condolences to my sister and Niece and nephews, there's no words that can explain what happen or how. But the pain that's in me and the memories of losing My'Jaeaha is all still new. I know I spoiled you Dontay just as much as I did my other family. Only you can sit with me for hours and talk about the pass about the village and Fairfield days. I love you and always will. Karen you know that I'm here for you like always. Knowing that your pain is never going away but know that he loved you and you loved him. Fly high with your family. LOVE*
