“ May God continue to bless you all during your time of sorrow. I grow up on the South End and always spent time at the library and was on the Zoning Board. His present was always so kind and pleasant. He will truly be missed.

“ I knew Phil as a teacher for the Parent Leadership Training Institute. He was a good friend and an outstanding leader for families and children. His teaching and guiding was heightened by humility, depth and the deepest love. He will be missed for his wisdom, gentle care and cross-generation way of strolling through life. He was always as young as he was old. Sincerest sympathies to the family as he transitions to lead and love on the other side.

“ Phil was a dear friend and teacher to me. He taught me how to care deeply for others less fortunate. He showed me through his every day actions how a man of faith truly lives for others. He had the patience of a saint and the perseverance of a soldier. 🙏

“ I worked with Phil at CTE, where he became both a friend and mentor. His commitment to the community and the people who lived there was unparalleled.

It was truly a pleasure to have crossed paths with him, and to still use the lesson learned in my everyday life.

May he rest in peace.

“ My deepest sympathy to the family of E. Phillip McKain! He has contributed so much to the wellness of the City of the Stamford. He managed to be almost everywhere where his leadership experience could help the community move forward. I had the privilege to collaborate with him on several projects and activities such as the 2000 Stamford Census Committee and the Dr. King’s Annual Celebration Committee. I particularly appreciate his love for literature that he genuinely demonstrated as a longtime facilitator of the monthly book discussions at the Ferguson Library South End Branch.

Thank you, Mr. McKain!

“ Phil was a wonderful stepfather. He loved and cared for me and my sibs unconditionally. He walked me down the aisle with my dad. He was Poppy to my kids and loved them dearly. We lost touch after he and mom separated so I hadn't seen him in a while. I will always cherish my memories of him.

RIP Phil/Poppy. Thank you for all you did for us. I'll love you forever

“ *My condolences and prayers to the McKain family. Boy, Stamford has lost a true Icon. Phil was such a dedicated and hard worker as president of CTE. Having given the opportunity to serve as chair of the search committee and we hired him in 1993. We all were so proud and please with his knowledge and experience and I just adored him so much. He held the position for 19 years and did a fantastic job and it was well proven at his retirement dinner in 2012. I could just go on and on about this great man and he made all of us so proud. Sleep on Phil, your work here is done and you have moved to another place.*
