We Miss You

Your gentle face and patient smile

With sadness we recall

You had a kindly word for each,

And died before all.

The voice is mute and stilled the heart

That loved us well and true

And bitter was the trial to part.

From one so good as you

You are not forgotten loved one

Nor will you ever be

As long as life and memory last

We will remember thee

We miss you now; our hearts are sore,

As time goes by, we'll miss you more

Your loving smile, your gentle face,

No one can take your vacant place.
