“ Please accept my heartfelt sympathy for your loss. I worked with John Fernser for many years on the NHS board of directors. He was such a kind and thoughtful man, committed to the letter and spirit of our work to bring safe, affordable housing to members of the community in need of support. He was smart and caring, and he had an infectious laugh and wonderful sense of humor, which I will always remember. He will be greatly missed in the community. Cherish the wonderful memories of your lives together, and hold onto each other for support going forward. With love, Pam Koprowski

“ *My Condolences to you're loving family. Sorry for the loss of Deacon John H. Fersner. May God continue to Bless and supply you with strength, comfort & peace.*

He was such a good friend/mentor. He was always helping someone, giving his precious time to all.

Deacon John enjoyed sharing stories of his loving family. I admire of how he would tease his wife Emma, waiting for her reaction.

He spoke of his daughter's Darlene and Regina often, of how immediately they would respond to whatever what was ask by him.

Also, he especially was a proud grandfather of his granddaughter's Jasmine & Deja of there accomplishments. He knew his family loved him dearly. Heaven has gained an Angel.

Deacon John will truly be missed by so many.

Love,
