“ I personally thank you and Caroline for showing me that loving and committed marriages are not only possible, but exist. You departed on the heels of my husband, Michael. God and the example of your marriage with Caroline kept us together for 42 years. I never told you and now you know, thank you for your beacon of light.

I am grateful to have got to know Johnny, Caroline & Trish as family and have always had respect for the whole family that gather many times throughout the years. Many thoughts of family gatherings in Connecticut that welcomed me into the family with their smiles for me and my girls, Mikailah & Chloe Nicole. Continued prayers for all those that knew and loved them dearly.
