“ *Vanesa and the Francis Family,*

I'm so very sorry to hear of the passing of George. I saw him not too long ago here at the SGC and he said "don't your remember me?" I said of course I remember you George!! We went to school together and he would always make me laugh. May you get through this time of sorrow with the great memories you had together. My deepest condolences.

“ I will always remember how polite & friendly George was. My favorite memory was when he was “entertaining” Vanesa’s guests from the loft. Fondly from green eyes. George was a special guy.
