“ My condolences and prayers goes out to the Maye family. Sweet Pea was such a kind, generous soul. She was such an encouragement to me. I will truly miss chatting with her. I want you to know that I'm praying for you in your time of need. I know there will be things that trigger tears and things that bring laughter...things that you never expect...but they'll gently remind you of all the wonderful details that made life with Sweet Pea so precious. May God hold you close to His heart, where He can feel your deepest loss and fill you with His deepest love. May the God of love and peace be with you.
