“ Rest in peace dear lady! My sincere sympathies to the family. It doesn't seem that long ago that we shared a doorway at Adams Gardens as two young single Moms trying the best we could to raise our wonderful kids.. I must say Margaret - We did a GREAT job! We shared the doorway and we shared a birthday together - what are the odds of that? You taught me to bang pots at Midnight on New Years and you were a good ear when I needed one. I hope I was that for you as well. Enjoy your well earned paradise...
