“ *Damn I'm so sorry my brother I wish I had contacted you sooner. Marvin was a good man as he matured and empathy and compassion filled his heart. This man knew everyone in escondido and is the best I've seen in finding a ride somewhere at any time of the day or night. And most of all he was my friend . My brother from another mother. May you rest in peace my old friend. See ya when i get there marv!*

I will never forget the first time we met when I was in kindergarten. My brother came to pick me up and you were with him. As my brother grabbed my hand you grabbed the other hand as we walked home. I leaned into my brother who is this boy. He said his name is Marvin and we have been friends ever since. You have always been there for my family as a long time friend. You will be remembered as a good friend to my brother and that is the best thing. I loved you for keeping my brother in the loop with your other friends. He was a guy you said from the first time you met. He will always be my good friend and my mother loved you for that caring for her only son. Thank you for your long time friendship. For loving and showing your compassion to my big brother Scott.
