

Michael K. Coleman

April 27, 1956 - June 10, 2024

Michael K. Coleman, cherished by many and deeply mourned, peacefully departed this life on June 10, 2024. Born on April 27, 1956, in Stamford, CT, he was the beloved son of the late Ernestine Coleman and Louis Reynolds, Sr.

Michael was educated in the Stamford Public School system, graduating from Rippowam High School in 1974. He then pursued his associate's degree at Virginia Union in Richmond, VA.

Michael dedicated himself to a fulfilling career with Metro-North Railroad for over three decades, where his commitment and dedication left an indelible mark.

Michael's impact transcended the professional realm. A beacon of community spirit, he poured his heart into initiatives that uplifted those around him. His involvement in leading groups to the historic Million Man March in Washington, DC, in 1995 exemplified his passion for unity and justice. As a founding member of Brothers & Sisters United for Change community service group, Michael tirelessly worked towards creating positive change, his altruistic spirit inspiring all who crossed his path.

Known affectionately as "Brother Mike" or "Uncle Mike," he was a steadfast presence, offering guidance and support to countless young men and women. Whether mentoring youth or beautifying local spaces like Spruce Street and Carwin Park, Michael's selflessness shone brightly, leaving a lasting impression on his community.

Michael's memory will forever be cherished by his loving and devoted daughter, Latonya Michaele Phillips; his "Cupcake" granddaughter, Janay Coplon, and her husband, Sean Allen; his sister Delores Reynolds; his brother Louis "JR" Reynolds, Jr.; his aunt Robin Coleman-Cannon; his faithful companion Teaetta DeSuzia; and a multitude of nieces, nephews, cousins, and friends.

In honoring Michael's legacy, may we carry forward his spirit of compassion, service, and unwavering belief in others' potential. Though he may have departed from this world, his influence will continue to inspire and uplift generations to come.

Visitation will be held Monday, June 17, 2024 from 10:00AM – 11:00AM followed by a service of celebration at 11:00AM at Bethel AME Church, 150 Fairfield Ave., Stamford, CT.

Interment will follow at Woodland Cemetery, Stamford, CT.

My deepest sorrows regarding my friend Michael, whom I had the opportunity to sit down and talk to during my tenure visit in Stamford, Ct on West Main St. We talked about the good ol' days of junior high school.

Mike had been a family friend of whom we shared both mothers and fathers.

I am so happy to have had the opportunity see and talk with him before he passed.

My condolences to Robin and Shelly Coleman, as well as Deloris Reynolds. Love all of you.....

Mike was the hero and all around athlete back in the day, who will greatly be missed.

I am so sorry,

“ One of the greatest experiences of my life was with Michael Coleman. Washington D.C. October 16, 1995. Attending the Million Man March on a Coach Bus that Michael organized. He was a Man that stood up against the injustices of our community and loved us dearly.

Thanking you for inspiring me to be a community man, and allowing me the opportunity to attend the March with you.

Rest in Heaven your legacy lives on!

My prayers go out out to the family, the community and the many people who were also touched by him. Love one another like Michael Loved us!

My condolences and prayers are with Family and Friends of Michael K. Coleman. Michael was a Majestic person always ready to listen to share his perspective and offer his expertise. Michael demonstrated that he valued the importance and value of family consistently demonstrating his love and availability. Michael k. Coleman was a leader always seeking and sharing knowledge and willingness to do the work to address the necessary tasks to pursue the goals. The City of Stamford especially the West Side has lost the knowledge and services of a true humanitarian.

My condolences to the Coleman Family. Michael and his Mom were my next door neighbors on Spruce Street and looked out for me and my Son while being a resident on the block. Michael had such an infectious smile, always respectful, kind and a big brother. I am so glad that my husband and I had the opportunity to fellowship with you two years ago in Charlotte, NC and we had such a great time reminiscing. May you rest in paradise, my friend. You are truly missed but your memory of the good times we shared will remain in my heart.
