Lynn, it was July 3rd, this year when you sent me a friend request on FB. You called me and wished me a Happy Birthday and we talked for a good while. Never did I think that would be the last time... I'm Gonna Miss You So Much And I Will Always Cherish The Memories Forever ❤️ SIP

“ *My thoughts and prayers to the family . I still can't believe my best friend is gone. I'm going to miss our talks, laughing and you at my house in your favorite chair. You calling me on the phone saying "hey". I can't stop thinking about you. R.I.P. my friend. I love you like a sister.*
