“ *My rock, my coach, my nurse and my mother. Oh how I miss you. I would be lying if I said that I am okay, because I am not. I often can be found wrapped up in one of your favorite clothing. You were always cold. I now understand that cold. It is cold and lonely without you. We were always together. I love you Mommy. The best thing that ever happened to me. 💔*

“ *Pat was my classmate at BMHS. We would occasionally see each other and always shared our fond memories. We were on the volleyball team with Angela Williams, Gail Dixon and others. Pat always spoke of her children and all the time that has passed from our young days. She had a kind and loving spirit. My sincere sympathy to her family. Patricia Baldwin Adams Class of 1966*
