“ My condolences to the family of Ms Davis. I have known Ms Davis for years now. I worked for Ms.Davis as a home health aid for a year and half. It was my wonderful year and half. I get to know Ms Davis and all her family. She became like family to my kids and I. Ms.Davis was nothing but a happy person. Ms.Davis was very loving especially on her children and her grandchildren, and she was also a caring person. It was after a month I just had my daughter when I went to work for Ms. Davis. The memory that is special with Ms.Davis is how is cooked my one month old baby home cooked food. She loved to go food shopping like pears, apples and peaches and she would cook them and blend them in her special blender. She would pack the baby food in small containers for my one old daughter. My daughter loved her food. On my day off, I would bring my daughter to her house and Ms.Davis would teach her to crawl etc... she gave my daughter the nickname (Bittle butt). Even now 9 years later, we still call my daughter Bittle butt😭😭😭.I will miss deeply🙏🙏🙏.She taught me good shopping like champ white shirts etc.... When I went shopping with Ms.Davis , I had to be willing to spend money to buy good quality clothes. She taught me how to iron your bedsheets. I have such great memories about Ms.Davis. MHSRIP
