“ Dear Roosevelt's family- His Newfield neighborhood family adored him. Roosevelt always greeted all with a wave and that wonderful smile. He watched our kids grow up, from babies to college students (and probably beyond). He loved to tell us about his own "grands". To have the ability to make someone's whole day with a smile or a greeting ("Hi Dahlin'!").....that is a gift that he gave so freely. Thank you for sharing him with us. We have missed his beautiful face these past 2 years but he will remain forever in our hearts. With love and condolences- The Karukas Family
