“ *Rose, hearing of your passing makes me very sad, you were one of the BEST in my book. What a time we had, taking a few walks together, playing Pokeno and most of all bowling. During our many years of bowling travels you always called me MAMA and I still remember the looks and expressions on faces when they heard that. (That was our little joke and it still put a smile on my face). Beautiful memories are forever. Rose it is now your time to take your rest and may you rest in HEAVENLY PEACE. My prayers and condolences to your entire family. 🙏*

“ To the Nelson family and the extended family members, I send my sincere condolences for the passing of your aunt, Ms. Rose! The spirit of Rose will live on through her offspring. My fondest memory is whenever my family and I attended Union, we all had "our section" where we all sat and there was Rose sitting behind us and always full of life; I will forever remember her witty character, full of energy and the smile she expressed. Rest, Rose.
