“ Grand Aunt Rosalie was a family treasure. She was a bright light and a example of strength and faith. What I admire the most is that Aunt Ro was hearing impaired but she faithfully went to church and served God. People that have all their facilities wouldn't and she did gladly. Even as she progressed in age she was positive and was very strong willed and aware! I'm grateful to have had the opportunity to know her and will miss her. She endured all the way to the end. May God bless comfort and embrace her sweet spirit! Love from the Alexander/Hampton family.
