“ To the Mc Neil Family, my deepest condolences to the family. I was saddened to learn of Sammy's passing. Like his Dad before him I remember Sammy's love of life and his hard work ethic! Loved talking about sports with Sammy and the topic of the day. He truly will be missed. I can just hear Sam Sr calling his name now like he did when we were growing up. " This is my son Junior. " Rip Sammy. Til we meet again.

“ To The Family: Sam has become absent from you all, physically, but he will always be you spiritually and emotionally. The memories that he has left with you will be passed on too many generations to follow. Weep if you must but remember the awesome times you all shared with one another. We are praying with you and for you. Keep loving one another.

“ The laughter, playing pool at CCI, hanging out with Beetle and Godfrey, and more laughter. He would say, "Wendy, you ain't neva lied.." and the laughter from the belly was real! The trials and tribulations that few will experience but become authorities of the situation - then the light at the end of the tunnel where more will be revealed. The parties in Armstrong Court, the student center at Greenwich High, and the collaboration of thoughts on any topic rendered the mutual LAUGHTER. Father God, I come before You this evening asking for comfort for the McNeil family during this time. When the road is dark - have no fear, when the mountain is too high - He will lift you up, when you're lost - He lights the way when the sorrow is too great - He will comfort you.

One never knows when the time will come that you have to accept that the love you have for someone will break your heart so devastatingly. Sammy was a joy to be around and always made me smile when I was in his presence. He lifted me so high with happiness and joy.

Our condolences to our entire family on our loss and know that he is smiling down on all of you having felt the love that always surrounded him. He is always with us for the impression he had on us and the love he had for us will always be in our hearts.

The foundation of the family continues in what was laid years ago. Your love and support continues strong in each of you. God bless you all.

*Love,
Aunt Gail and Family, Darius, Kim and Aaron*
