“ You were my first friend upon moving to Stamford over 37 years ago. Working together at the bank downtown was a riot with you!! You knew how to have fun but you also knew what was important in life!! You brought your boys to my Sunday School class and church always showing them to honour God. I'll see you again Sandy on the street of gold in Heaven. I loved your laughter and your sweet spirit!!

“ My Mother was a loving, caring , and compassionate person. Her kind heart and warm smile would always make me feel better.

Lovell and I miss her so much! We know she is in a better place and although she is no longer with us physically, I look forward to having her still in our lives spiritually.

Mom- You did great raising us to be the best we can be with the resources given to you.

Thank you! Thank You! Thank you!

WE LOVE YOU! -Louis and Lovell
