Tam received his formal education in the Norwalk public school system. He attended Benjamin Franklin Junior High School and Norwalk High School. During his high school years, he played basketball with the "Fab Five" and baseball with the Norwalk recreational league.

He loved being the family photographer. Wherever we went, his camera was in hand for all occasions. During the weekends, his favorite pastime was going to Calf Pasture Beach and Pete's Golf Driving Range.

In 1994, he and Mrs. Jeanette Brown entered into Holy Matrimony. They enjoyed traveling, going on cruises and playing cards, The following year she persuaded him to join her at the Norwalk Senior Center. He walked in, spotted the pool tables and from that day forward he began playing. He said it was good exercise, and a chance to get out of the house daily.

He loved the Art of playing Pool Billiards, mastering the art of aiming, cue ball control, and seeing the angles. He won several pool tournaments and also met with two famous female pool players, Ewa Mayaya Laurance known as the Striking Viking and Jeanette Lee known as the Black Widow at the Boston Billiard Club in Fairfield, CT. *My sincere confidences to the Dickson family. He was one of the
kindest, sweetest most generous men I've ever known. The Newman
family, of which I am one, we affectionately called him "Dickson". For
so many years he helped my mom (Bunny Newman) who was alone.
He helped her with anything she needed done. His smile was
infectious. He would come by almost every week to help her. He'd say.
"OK, what have you got for me" and she'd have a list. Being a very
petite yet strong woman she appreciated his help. It might have been,
"could you please bring a box down from the attic. Or feed the
chickens"? They both loved the fresh air.
I have such fond memories of him. I think of him every so often and
wondered how he was doing. He was a tough old bird loved by
everyone including me, my sister Wendy and our whole family. RIP
"Dickson"!💜*

Mr Dickson was a neighborhood favorite when he lived just a few apartments away from us back in the 1950s and early 1960s on Suncrest Rd. He had a wonderful personality and outlook on life. He will be sadly missed, I am sure, by all who knew him. Our prayers and condolences to his family and friends. We need more guys like him to straighten this world out again. He was stern but had a big heart when he got to trust you. Thankfully, he trusted me and my family and we respected him.
