“ To The Cobb Family: We are with you in prayer as you remember the awesome life of your beloved family member. God knows every emotion you are feeling right now and He will bring you through. Keep the faith, keep loving one another, be prayerful and know that God will give you just what you need at the proper time. He has done what all of us must do one day. Just keep this thought in your hearts and minds, "Terry has become absent from his body and present with the Lord". He is pain free and worry free. Hebrews 11:1 The Moore Family (CT & NC)
