“ *I'm not even sure what to say to my favorite thorn in my side! You drove me crazy and I would give you a hard time but the love was always there! Our last ride together was less than 2 weeks ago and we had some wonderful conversations! Thank you for being you! And don't drive Mr Holman crazy when you see him! There is nobody in the world that can say "Thaddeus" the way you did! Say hello to my daddy for me! Love you ❤️*
