“ Will, I just heard about you leaving us and I'm very saddened. I couldn't believe my friend from the Embassy security force has passed. We had many of good old soldier/family talks while you were looking out of the eagles nest. You loved your daughter so much and you were a good ma. I'm gonna miss you my friend. we all miss you. “ My name is SFC Uriel P Dukes Jr. Chill Will was my BROTHER. We meet at the reception in Fort Benning GA in August of 1990. We served our first five years together. I loved this man. He was the most mature young man when we meet. He was with me when I met my wife. 'Will' made sure I stayed true to my marriage. We reminded in contact up til his last days on this earth. I just found out he died. A true soldier, leader, and mentor he was! I miss and love you brother, I wish I could have been there for your funeral. SFC URIEL P DUKES JR.
