“ I am sad to see this. I was a new guy, 2 years out of the Marines when I started as a Service Representative at SNET. Vivian was one of a handful of folks who helped me in so many ways. She was smart, funny & always knew the right thing to do. A rough exterior masked a very tender and caring individual who had opinions but was willing to listen to other opinions. RIP.

“ I'm still in disbelief. Tanya and Corey, your mom was definitely a questioner.... "Lynn, where are ya'll going (Tanya and Mia)? When are you coming back?" Seriously, every Saturday night. I'm so honored that I grew up with aunt Viv, so much so that I named my daughter after the Paris/Rucker family. You will forever be missed, aunt Viv. You accepted me as a daughter over 40 years ago. To the Paris/Rucker family, you are in my heart and prayers.

My condolences to Mary and the entire Rucker and Paris families. Boy, I remembered the days going in SNET office on summer street seeing and conversing with Vivian. She along with so many of her other co-workers were just so knowledgeable and such awesome customer experience.
