Debbie, I'm so terribly sorry for your loss. I met snookey way back and, I thought he was the nicest, smoothest, articulate dresser I had ever seen. May God comfort you and your family.

“ *Debbie, you have my deepest condolences and prayers. I am just still in shocked. It wasn't that long ago I had a conversation with Snookey at CVS. Little did I realized it was going to be my last time seeing him . My mind just goes back to so many fond memories at Pitney Bowes old main plant, Walter Wheeler Drive. He was a man of class, dignity, and style. He always carried himself with so much style. Rest In Peace Snookey. On behalf of all the retirees from Pitney Bowes, our prayers to you Debbie and the entire Jordan family.*

Still in shock, you will never be forgotten, can hear your voice saying Hi Vilma, NO, I am not going outside, if I do I will come back home and take a shower and change everything. Please rest in Peace. Vilma, Grant and Gladys.

Always the innovator, a former neighbor(70s)/friend, former supervisor and mentor/friend at Pitney-Bowes.... Though recently, I won't try to pinpoint the time. However, we did speak of good times past and good times that should be had going forward....To you, Deborah, he is taken to God but remembered by us all. My heartfelt condolences to you and the entire family.
