“ I have been a friend of Bridget and Rosa for many years,I first met Willie while he was working.Bridget and I used to stop and when we saw his truck to say Hi.Well we would wait and wait .Bridget would say I wonder what's taking him so long.And my quick answer to that was he's being free with his willie.That's where my nick name free willie came from and he would laugh.Momma Rosa didn't think it was so funny at first but then it became a regular when speaking about him.I will miss seeing him around,My family sends thoughts and prayers to his Family. Pete, Judy, and Paula
