“ To Rodney, Gerald, and Renee,

My deepest condolences to each of you for the loss of your father, my Liquor Center basketball coach. I will never forget your father, he was a great man and took the time to coach all of that played on that team, even when we graduated from that team, Mr. Langley referred to us as “his guys” that had a profound effect on me and sure many others that played for him. I will never forget Mr. Langley coming to my house and picking me and the other kids that did not have rides to practices and games. With his busy schedule working for Northeast Utilities, he still had the time to mold us kids into becoming great men. He took us to NBA games such a great man that was truly an inspiration for me.

Thank you so much Rodney, Gerald, and Renee for allowing your father to become our father for those practices and games. RIP Coach!

“ My Uncle Willie you will be missed! I remember you took me to play in the International Little League when I was 9 years old and I had to use the 48 First Street address. You got me connected with Mr. Salomone (who later helped me in life get into refereeing)! But he coached Rodney and Gerald. Then He coached my brother Derick and I! It started with you taking us to the beach! I will always remember our talks when we would see each other! I was coached by Uncle Willie 3 times on an All Star travel team one year! But through all my years you would attend my games and always support me and my family because we we're family. Forever my Uncle Willie. God bless the Langley family during this time! I Love You All.

“ As my family and I think of our special Uncle Willie, it is really difficult to share just A MEMORY. So many extraordinarily cherished memories come to mind of a person that I have known for nearly 7 decades. He was a kind, generous and loving gentle giant of a man whose contagious smile and friendliness were two of his trademarks. He was a man of strength who always showed his unconditional love for his family. Now he rests peacefully in his MASTER'S arms eternally. Gone but sweet precious memories of Uncle Willie will be etched in our hearts forever. We love you.

“ *To the Family from Ours...*

It is impossible for us to recount our own family celebrations and those memories, which we hold so dear, without also—and often—thinking of Willie . . . because he seemed always to be there. Whether finding humor in his humble beginnings or showing pride in his princely Lincolns, in both happy and tired moments, he joined us by sharing his smile and his laughter; comforted us with offerings of his kindness and his support; and encouraged us through reminiscences of his journey and his milestones. All of these gifts from him, for which we are so grateful, inspired us along the way by anchoring us to the purpose of those things past and allowing us to reach for things to come. And so it is in a spirit of gratitude that we thank you for sharing your father, your grandfather, (your great-grandfather), your brother, your uncle, your cousin, or whatever he was and is to You . . . with Us . . . his Friends.

“ *Donnie and family*
My deepest condolences to you in the loss of a great brother, father, uncle, grandfather, brother-in-law and sincere friend. I am truly at a loss of words and will miss him dearly. I will miss the Sunday visits, where he would sometimes just reminisce, then he would say " Can I ask a question?" We would say "uh-oh" and smile, because we weren't sure if it would a question to test our knowledge..lol. Willie was a true kind-hearted gentle giant. I am so thankful that I have 40 plus years of memories of Willie that I can look back and reflect on and smile. Another ANGEL has gained his wings. You can take your rest now, Sleep in Heavenly Peace. Love You and Miss You Willie.
